

BATRIK ID TAPE

A simple solution for marking surgical instruments with the aid of color-coding, our ID Tape is durable and will not chip, flake, or peel. It can be used in autoclaves, withstanding repeated exposure to sterilization. Independent validation tests demonstrated the efficiency of sterilization of marked instruments, even underneath the Batrik ID Tape.

AVAILABLE WIDTHS

Quickly identifies instruments by department or procedure

Easy to apply

Withstands repeated exposure to sterilization

Has more per tape roll (300" / 7620 mm)

Available in 7 colors and 2 widths

Conveniently packaged in a clear box
